

Dear Pastor and Church,

March/April 2026

I first want to say 'Thank You' to the many people who sacrificially give so that we can continue to be in Slovenia. It is the greatest privilege and honor to be here and have a front row seat in watching God work in the lives of people.

A lot has happened in the last two months. The Cook family had been in country for a week when I wrote the last letter. Now that this time has passed, I can report that they have added some great new energy to our church. They have jumped right in and the folks really love them and their children. please make it a matter of **prayer for their visa paperwork** that was submitted just a couple of weeks ago. It looks positive at this point but we don't want to leave this request lacking for prayer.

Eli has also been helping in the **Youth Bible Study** and as I write, he is bringing the weekly lessons. We have seen Vid bring many guests to the study and some have become faithful in church as well. Tim comes when he is not working on Sundays now and he is so eager to learn. **Luka and David have each come once so pray that they return and see more about what the Bible says and that God would open their eyes to the Truth.**

Vid also continues to witness to his mother Irma who we mentioned in the last letter. She had come several times but has since dropped off on attendance. Vid is still faithful to ride a bus for an hour one way and bring people to hear from the Bible. **Pray for him and continue to pray for Irma!**

I mentioned last time that we were doing a second run on the Slovene Bible printing. They arrived and we have given several away since that time. Thank you for praying for that. **Now ask God to use these precious Bibles to open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26:18**

Finally, I ask you to pray for our home church, Bible Baptist Church in Stillwater which is going through the most difficult of times. **Pray that God would bring comfort to those in pain and clarity and faith to those who feel like they are in a rudderless boat.** Bible Baptist Church did not begin with one man nor will it be ended by one man. God is bigger than that!
